

## RoSPA SMART Pre - Ride/Wizz Briefing - minimum requirements

1. Give explanation of the day, destination, stops (coffee/toilets).
2. Explain what motorcycle you are riding, clothing/helmet, incl. registration no.
3. Introduce Back Marker and what they'll be wearing.
4. Explain Back Marker System i.e. "it is individuals **responsibility** to stop in a **safe** and **visible** place and **WAIT** for the back marker!!!!
5. Run leader to drop marker. This is optional but does work better for new people.
6. Where do you plan to stop for petrol, what happens if individuals require petrol sooner i.e. use the buddy system, or if you see one of the group going in for petrol and no one else has stopped to mark, stop and wait for Back Marker so they don't go past.
7. Explain what to do in the event of a breakdown. (Advisable for Leader and Back Marker to give out their mobile numbers at the start)
8. Overtaking - explain it is allowed within the group, but consideration must be given to others and their safety.
9. Disclaimer:- Explain everyone is responsible for their own safety. Have FUN but ride responsibly and appropriately.
10. And finally, has everyone filled up with petrol?
11. It is advisable to 're-group' after lunch as this is when people start to peel off.
